An exciting collaboration between Movement in Worship, Psalm Drummers and brand new for 2015, Images of Light!

The 2015 Brighton Summer School will explore the dynamics of **worship** and **mission** through **movement**, **percussion** and the **supernatural realm**. We'll be connecting land, people and the Holy Spirit through worship, intercession, the prophetic, dream interpretation and more.

Building on a devotional and Biblical foundation the school splits into three training streams, 'Movement', 'Percussion' and 'Spirit-Led Outreach'. Each participant will choose which stream they will do for the week, but they'll also get a small taster of the other streams.

The **'Movement Stream'** includes intercessory and prophetic movement, an exploration of different dance styles and the use of props. All participants will be prepared for moving on the streets.

You will need to bring suitable clothing for moving inside and outdoors – we suggest stretchy trousers, long tops and sturdy dance shoes or trainers. Flags and props will be provided, but you are also welcome to bring your own.

Through group work, the **'Percussion Stream'** explores worship and prayer using rhythm. You will be challenged and helped to become more creative in using your playing to connect with God and to communicate Him to others.

We can provide a limited number of workshop-level djembes and percussion instruments. It is essential that you tell us in advance if you will need this. Feel free to bring your own percussion.

Brand new this year is a new stream the **'Spirit-Led Outreach Stream'**. Grounded in understanding the Father Heart of God for the world, this stream will explore creative ways through which we can engage with the culture of today and impart His love. Through dynamic teaching and practical activation, participants will learn about going deeper in the prophetic, the realm of the Spirit, biblical dream interpretation, and the foundations of

inner healing with the purpose of incorporating these expressions of the Spirit on mission and outreach.

These streams merge together to take worship, intercession and the prophetic out into the community. If you opt for the Movement or Percussion Stream please bring dark coloured trousers and bright one-colour tee-shirts to wear when we go out, alternatively there will be Psalm Drummer tee-shirts for people to purchase and buy who are on the Percussion Stream. Those on the Spirit-Led Outreach Stream will wear normal clothing when we go out.

One of the highlights is always the community that is built throughout all aspects of the week including the fun social evenings.

Who can come?

No previous experience in dance, drumming, the prophetic or outreach is needed as experienced trainers will be facilitating the week.

The minimum recommended age is 12 years and there's no maximum age! Please contact us if you have children under 12 years who would like to attend. All under 16s need a participating guardian with them, who will be responsible for their behaviour and engagement.

Costs: £170 (or £150 early bird rate before 30th April)

(EB rate cannot be combined with MIW Associates discount rate)

Please note: this does not include food & accommodation

The course content:

Each of the 5 teaching days will begin at 9.30am and will include prayer, worship, biblical teaching and practical application that will build as the week progresses. There will be an outdoor intercession time on a high place and 3 mission events where we'll be worshipping, interpreting dreams, prophesying and more out in the city of Brighton; these times will be facilitated by the teachers.

On Saturday 8th August we'll be finishing off the week by joining City Gate Church for an Oasis Life.Rhythm.Spirit event. These are all-age community outreach events that we've been running 4 times a year for the last couple of years in the garden outside the city centre building where we meet. They include a drum circle with movement, face-painting, a Spirit Dream Booth with spiritual readings and dream interpretation, children's activities, community art, delicious refreshments and much much more!
